

AFD TEAM (FF, PTT & TT) POLICY FOR PARTICIPATION

Below is a short list of important details that, when followed, will help create the most effective coaching and learning environment.

- Divers/families in the Future Flyers, Pre-Travel & Travel Team must commit to a “seasonal” membership contract. This is a training process that is designed to promote diver readiness at the National/International level. By enrolling in AFD Future flyers, Pre-Travel & Travel Team, you will be financially obligated to pay the total balance of your child(s) training fees as scheduled for the competitive USA/AAU season (September-August).
- All payments are due in full by the 1st week of the new month. All payments will be set up for automatic billing by Credit Card.
- Once a new quarter has started, any diver not paid in full or not on a payment schedule **MAY NOT PARTICIPATE UNTIL PAYMENT HAS BEEN RECEIVED.**
- All payments are final. Only in the event of long term injury or unforeseen family emergency, will there be a fee adjustment. Please make requests for fee adjustment in writing or e-mail following a verbal explanation (NOT during a practice please).
- Participating in a diving camp without being accompanied by an official coach of American Flyers Diving is prohibited unless an agreement has been made with AFD prior to participating.
- Competing in scheduled Ohio Diving League (ODL) meets & USA/AAU sanctioned competitions is mandatory (per diver readiness determined by the coach).
- There is a \$400 annual membership fee to be part of the Future Flyers, Pre-Travel & Travel Teams. This fee includes all **coach’s fees & expenses** for ODL/USA/AAU meets. It also includes entry fees for **ODL meets only**. Families must pay any fees associated with meet entry & registration for USA & AAU meets.
- Parents and/or family members are more than welcome to stay & watch their children from the bleachers unless they are volunteering on the pool deck during practices.
- Athletes and parents must make arrangements for transportation. Divers must be on time for practices (minimum 10-15 minutes early). Make sure divers pick up is 15 minutes early. AFD coach(es) can provide transportation given prior notice.

I have read the above and fully understand these expectations as a parent or athlete participating with the American Flyers Diving Travel program.
